### WHAT WE DO

At AV Made Easy we fully customise our AV design and installation work to suit your needs and budget. We will work with you to ensure our solutions are high quality, user friendly and professionally installed. We do all kinds of commercial work, but here are some examples. Don't worry if you don't see what you are looking for here, we'd be happy to discuss your individual project needs.

#### Some examples of commercial AV work:

- Training rooms including projectors, interactive whiteboards and virtual work spaces
- Conference / presentation areas including full audio and visual solutions
- Camera's and surveillance setup
- Commercial cabling (roughing)
- Automation (lighting, conference equipment, TV, sound, blinds etc)
- In-room entertainment systems (e.g. TV setup including mounting, cabling and tuning, device setup, TV cabinet assembly)
- Waiting room displays and audio solutions
- Antenna's, TV points and Data points

In addition to designing and installing AV solutions, we also maintain and service existing AV solutions (relocating equipment, re-wiring, troubleshooting etc)
